## WEATHER

The Final Countdown - The season closes with plenty of sun throughout the day, 25-35km/h winds. The warm trend continues with a top of 12 degrees today, spring skiing vibes in full swing. Dress appropriately and remember the sunscreen on all that exposed skin. Protect yourself on the slopes and have an amazing final day!

## SKI & SNOWBOARD CONDITIONS

Snow conditions are super soft, and clearly quite thin in most areas. Get out there and shred the remaining snow on Bourke Street and Summit. Summit riders will need to walk over from the top of ABOM Express. The Summit Terrain Park is going to be a party, more details on that below. Final chance to get your snow fix at Mt Buller in 2023!

## WHAT'S ON

### Final day of the 2023 winter season

As the season comes to a close today, we'd like to say a massive **THANK YOU** to everyone that has visited Mt Buller this winter and to all the incredible operators on the mountain. We saw so many happy, smiling faces sliding down the snow and exploring the village. Thank you for making the most of the 2023 season!

### 'Bangers and Mash' on Summit today

The end of year party is on at the Summit Terrain Park today with plenty going on to keep you entertained. Some of the best park riders will be out to put on a show. Snags will be available to keep you fueled. Come shred the park or simply enjoy the atmosphere and spectate some talented riders.

### SAVE on 2024 Season Membership – get your Early Bird

The Early Bird Sale is currently underway, but pass availability is limited. Visit our website to secure your Season Membership savings today and begin the countdown to 2024. We're excited to celebrate 100 years of skiing on Mt. Buller, and you should be part of the action! Season Membership benefits encompass resort-wide discounts throughout the season, savings at partner resorts, discount vouchers for your friends, and, of course, the more you ride, the greater the savings. Missing out would be a missed opportunity.
